

K-4 Funding & CIS Staff Ratio 2010-11 Estimates **Budget:** The legislature eliminates the K-4 enhancement funding after January 31st. Although the supplier budget only applies to June 30th, analysis below assumes this cut extends through the end of the school year. Payment for K-4 will cease after January 31st. Routine adjustments for staff mix and enrollment adjustments that affect the K-4 will continue to be made through year end.

Saturday December 11th
Special Supplemental Session

The K-4 enrollment September through January will be used to determine the enhanced funding. Reduction for Full Day Kindergarten is not reflected below.
